Chapter 1 ◆ Takhti 1

Mufradat

بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِيْمِ

INSTRUCTIONS These single letters are the foundation. Correct the child's pronunciation here, and have the child memorise the dots of the letters as well. Have the child read from the end of the line, from the right, from top to bottom and from bottom to top. If this lesson is left weak, remember that its effect will reach very far ahead, and a good building cannot stand on a weak foundation.
